- 1) This sliding fee scale applies to clients who are uninsured or underinsured. Insured clients are asked to pay their insurance co-pay, and their insurance is billed for services. Insured clients are asked to provide income information for sliding fee scale eligibility. If there are any charges not covered by insurance, their eligible sliding fee scale discount is applied to their balance. SouthLight Healthcare accepts most insurances including Medicaid and Medicare.
- 2) SouthLight Healthcare provides all services regardless of a client's ability to pay. If a client is not able to pay the applicable sliding fee scale rate at time of visit, they will be asked to pay any amount they can. All clients will be served whether or not they can pay the applicable fee.
